

# Eco Project

*This half term we have an Eco week and will be learning about protecting wildlife and their habitats.*

*For your topic homework this half term, your challenge is to*

- Make your garden at home wildlife friendly i.e. make a log pile, plant wildlife attracting seeds, leave out food / water for wildlife, start a compost heap.  
Take photos of what you have done to show the class.*
- Find out what different animals come into your garden by doing a survey. You could take photos or draw pictures.*
- Write a fact file all about your favourite British wildlife animal.*

*The homework is due in on 3<sup>rd</sup> February.*
